

FLEX-TIP® IMPLEMENTATION GUIDE

SUCCESSFUL IMPLEMENTATIONS BEGIN HERE

Thank you for the opportunity to illustrate the benefits of Flex-Tip® for your institution. Based on considerable assessment experience, we've prepared this step-by-step Implementation Guide. We've done all the planning for you—with specific goals and timelines—based on a proven formula designed to reduce hurdles and resources required. AirLife™ wants to ensure this customized evaluation program—and potential inclusion of Flex-Tips—runs as smoothly as possible, every step of the way.
