

# ECG RECORDING PAPERS

## LATEX FREE

Thermally sensitive chart papers offer a bright-white quality paper stock for excellent trace legibility. The paper’s weight is designed to flow easily through the printer. ECG recording papers are the validated papers for GE HealthCare® equipment.

## FEATURES

- Comprehensive line for diagnostic cardiology, patient and fetal monitoring.
- Validated for use with GE HealthCare equipment.
- Many papers are available in multiple formats.
- End-of-roll and –pack indicator reminds users to change paper.

## PATIENT MONITORING PAPER

| ITEM        | DESCRIPTION                               | IMAGED ARCHIVAL LIFE | PK       | MONITOR COMPATIBILITY |       |                |           |                 |
