

MULTI-LINK™ REUSABLE LEADWIRE SETS

NAME _____ DATE _____

FACILITY / HOSPITAL _____

TITLE _____

DEPARTMENT _____

CHECK ONE FOR EACH STATEMENT	AGREE	DISAGREE
The leadwires were easy to set up and use	<input type="checkbox"/>	<input type="checkbox"/>
The leadwires connected securely to electrodes, helping prevent accidental disconnection	<input type="checkbox"/>	<input type="checkbox"/>
The leadwires provided a similar level of ECG signal quality as our current solution	<input type="checkbox"/>	<input type="checkbox"/>
The Multi-Link reusable leadwire sets are clinically acceptable	<input type="checkbox"/>	<input type="checkbox"/>
I recommend that the hospital convert to Multi-Link reusable leadwire sets	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
