

HEINE visionPRO® VIDEO LARYNGOSCOPE CARRY CASE

LATEX FREE

The HEINE visionPRO® Carry Case utilizes custom closed cell foam to hold and protect both the visionPRO handle and display. Additionally, the sturdy carry case has two sets of elastic pockets to store spare HEINE MAC blades for extra convenience. This case is the perfect solution for physicians who travel or for use with EMS.

Quick-label, durable
grab handles

High-visibility, rugged
zipper pulls

Secure molds and pockets
for confident transport
